POLY Languages Institute
Application for Admission 2015

ADMISSION POLICY AND PROCEDURE

POLY Languages Institute admits students 18 years of age or older. For a student under 18 years of age, the applicant must have completed high school. In all cases, the applicant must have successfully completed at least one year of English as a foreign/second language or its equivalent.

All applicants must complete the application form and submit it along with applicable fees and a photo Identification (ID) online, in person, or by mail to the applicable POLY center. An acceptable form of ID is a passport, or any U.S. state issued driver’s license or identification card.

For a student wishing to attend the school as an F-1 student, the Documentary Evidence of Financial Support (DEFS) is required - showing ability to pay for education and living expenses of the student and the living expenses of spouse and children, if any, traveling with F-2 visas (dependents of student). For each term, the estimated Total Expense (TE) is $1800 (sum of tuition, books, and living expense) for the student and $800 (living expense) per dependent.

For a new student, initial or initial Change of Status (COS), or a student going through reinstatement, the DEFS fund for the student must cover at least six (6) terms of the estimated total expense for acceptance.

For a transfer student, released in status, the DEFS must cover at least 2 terms of his/her studies at POLY for acceptance. Additionally for the transfer student, two or more bank statements showing regular deposits, along with a letter from the student explaining the sources of the money to the account will suffice.

Acceptable forms of financial documentation to satisfy the DEFS are as follows:

• a personal bank statement;
• an affidavit of financial support from a sponsor with a bank statement;
• a letter guaranteeing financial support from the student’s employer;
• a scholarship letter from the student’s government or other organizations.

In addition, applicants must follow one of the following procedures:

• Applying for an F-1 visa outside the U.S. (Initial) – Upon obtaining a Form I-20, the student must pay the SEVIS I-901 fee prior to applying for an F-1 visa. Please visit http://www.fmjfee.com for details. The student must then have a visa interview with the local U.S. consulate for an F-1 Visa. For the interview, the student must bring the Form I-20, evidence of the SEVIS I-901 fee payment, a signed passport which must be valid for at least six months, a completed Form DS-156, and other applicable documents.

• Changing status to F-1 in the U.S. (Initial Change of Status) – Upon obtaining a Form I-20, the student must file a Form I-539 (available online at http://www.uscis.gov/files/form/i-539.pdf) with USCIS to change from the student’s current non-immigrant status to an F-1 status. The payment of SEVIS I-901 fee is also required.

• Transferring with an F-1 visa - If a student already has an F-1 visa, our administrative staff will fax the Notice of Intention to Transfer to the school the student is exiting for release of the student’s record. However, it is the responsibility of the student to notify the school about his/her intention to transfer for a proper release. Upon release of the record, the new Form I-20 will be prepared.
